**West Suburban Home School Band**

## **ATTENTION HOME SCHOOLERS**

Does your child already play a wind or percussion instrument? Have you had good intentions to add music to your curriculum? Perhaps you cannot afford private music lessons. A very inexpensive way to help your child learn and grow is to make the West Suburban Home School Band a part of their school week. Students make new friends, are accountable to someone other than mom or dad, and strive for their personal best as part of a wholesome, Christian group working towards a common goal.

Membership has grown from 46 students/26 families in 2001, to nearly 200 students/90 families in 2016-2017. There are four band levels to accommodate those with no musical training whatsoever to those with advanced experience and abilities, students and parents alike. Membership includes students, age 7 to 18, as well as some college students, alumnae, parents and other adults.
